Fort Dearborn Basset Hound Club
Judging Program

2006197201 & 2006197203

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule printed in this program. The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The show-giving club and Secretary have no obligation or responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Being an unbenched show, you need to be at the show only in time for your judging and may leave any time after judging. Numbers after each class represent the number of dogs entered and the number of bitches entered, respectively in that class. For your convenience, the following class divisions have been carefully tabulated; however, neither the Club nor Show Secretary assumes responsibility for absolute accuracy. The total number of dogs entered in the show is 55 with a total number of entries being 90.

STUD DOG CLASS-For dogs that have sired two dogs entered in a regular class, Best of Breed, or non-regular class at this show. Award will be based on merits of the get. Stud dog must be entered in stud dog class and be shown in the ring with his get. Judge's decision in this class will be based on merits of more than one dog; no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won this class.

BROOD BITCH CLASS-Same as Stud Dog, except substitute "Brood Bitch" for "Stud Dog" and "Produce" for "Get". Chapter 11, Section 8 of the Dog Show Rules provides that a "castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

BRACE CLASS- (Two dogs, not necessarily of the same sex, of identical ownership.) Dogs comprising a Brace must be named at the time of entry. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class Only", fee for which is \$20.00. In making an entry for Brace Class Only, full particulars must be given for each dog on individual AKC entry forms. An entry for a dog entered in another class and entered as part of a Brace must be marked accordingly (specify Brace Class) in the space provided for Additional Classes.
