*Jigs as she is called, can never tolerate snobs, and would never tolerate upstaging of authority. She believes that all men are born equal in the sense that people are all free to be different. As long as she knows what she's doing and where she stands, no one or nothing could pose as a hindrance. Could be depended upon for anything that needs action.*

**"DAVE"**

**Achievement:**

Member, UP Molave Residence Hall Association 1983-84

*An Ilonggo noted for never seeming to get his fill of studying and books. Also known for his manic-depressive moods (an exaggeration of course!). Can be capable of talking animatedly about Iloilo but extremely dangerous with another Ilonggo. If anything will get him through, it will be his perseverance. Soft-spoken – listening to him is like being rocked to sleep. Ipinganak na kakambal and payong na itim. His laughter is accompanied by a shrieking voice whenever he's excited.*

*A person with the most alluring smile, boosted with a pleasing twinkle of the eyes, and when you are the focus of those windows of consciousness, you'll think you're in love. Just a volleyball player and basketball master. Inside the classroom, she's so silent that even her teacher hardly notices she's getting high grades.*

*A strong-willed individual with the gentle oriental looks (but readily denies she's of Chinese origin). Multi-licensed interdisciplinary exponent of hardwork, easily seen as sensitive person with nonetheless high coefficient of patience for the multilayered faults of others.*

Kahero, UP Latagaw Brotherhood 1983-1984

*The guy who always gets a laugh when called because he usually answers, "Ma'am, pardon" four years in Manila but he still hasn't removed his Butuanon accent. One of the three selected by Director Felix Gonzales as "Assistant to the assistant to the 10<sup>33</sup> Director." Unassuming in class but watch out when he speaks for he talks with sense. He once left the most terror teacher in BA speechless due to his intelligent answers. Romantically linked to another 1st batch member. Superman . . . Ha, ha, ha 'pag tumawa.*

**HERNAN VILLARAIZ SEÑEREZ**

*An ideal friend who'll stick with you even in the worst times. Mr. Macho personified. Has cactus-like legs. "Hernan, ang balbon ng legs moy" Has a fixation for a first batch member. Marathon man and fantastic soccer player. Bridge boy. "Pare, what kind of BID IS DAT" Very disarming smile. Active in sports activities. Member of the "Fantastic Five." In a basketball game, only five of them showed up and won the game.*

*The rallying strength of Katig. Loves to dance but dance doesn't love him. Founding member of the Bridge Boys. Favorite words are "Three No Trumps." Gets high grades, even though he's more asleep than awake in class. Faithful to friends, lucky girl you are, J! Favorite student of Dr. Casambre. Spent a fortune watching all x-rated films in the '83 MIFF.*
