Dear Society Members:

Strikes were everywhere at Greenacres Bowling Alley on Sunday, January 25, 2004. The C.A.R. members enjoyed the technical scorecards as much as the bumper bowling lanes, snazzy shoes, and specialty balls.

Even the smallest C.A.R. bowling novices were picking up spares and nailing strikes. The location could not have been better. There was a good-sized meeting room, the staff was helpful, and the snack bar was perfect for our needs. There was also a terrific game room.

In February the society presented a birthday party for George Washington to the veterans at our local Palm Beach Veteran's Hospital.

A timeline of Washington's life, musical presentations, punch, cookies, and gifts were given out. Thank you to Mrs. Chimato and Mrs. Fitch Mora for the great items you brought to donate to the veterans.

March ended with a trip to Orlando for several society members who attended the annual F.S.C.A.R. conference. Our own April Pearson and Kaylee Legan were elected State Chaplain and State Historian respectively. Congratulations!

Barry Marler, from the Tampa Bay area, was voted State President and will visit our South Florida societies during the “Packet Party” hosted by Fifer George on Saturday, July 31, 2004, at Tequesta Presbyterian Church, Harrington Parlor. Barry's theme for this year will be Edgert Lighthouse in the historic Tampa Bay estuary. I'm sure we'll all have fun exploring lighthouses in the coming year!

Finally, you are cordially invited to the installation of new officers at 1:00-4:00 p.m. at Dubois Park in Jupiter overlooking Jupiter Inlet. We have a pavilion reserved and families are asked to bring a dish (see sidebar). It will be a great way to kick off or new year, so bring your sunscreen, beach chair, and swimming duds!
