

UPDATE THREE – 17 March 2005

Hashers and Harriettes of the World,

Registrations are beginning to come in. A number of Hashes around the globe have been visited by some Committee members to generate interest in the Fiji Nash Hash event.

Baylys JP Trust have written to the organising Committee accepting the proposal of raising funds on their behalf and thanking us for the initiative.

The Committee has put on their thinking caps for novel and unique ways of raising money and the Committee hopes that Nash Hash participating Hashes do likewise. It would give us, the Committee, immense pleasure to have Hash clubs arrive in Suva, for the Nash Hash, with a fist full of dollars for Baylys JP Trust. (Please assist in this)

The theme of Education has been 'cemented in' with the receipt of the Baylys JP Trust letter. So On On to Fiji Nash Hash 4

UPDATE ONE - 15 February 2005

Fellow Hashers and Harriettes,

We thought it appropriate to provide some details on planning progress for the 4th Fiji Nash Hash. I have no contact for Lambasa Hash, and since Dagggers has departed Savusavu, none for Savusavu Hash. If you have a contact can you please advise as we would like to include all Hashes in Fiji (and it goes without saying that any Hasher or Harriette from anywhere in the world is welcome to register).

Those of you in the 'To' box are the conduits that we have to Lautoka, Lautoka Hospital, Nadi, Pacific Harbour, Suva Full Moon and Suva Hashes. Your assistance in advising your respective club members of progress would be appreciated.

It was agreed at the 3rd Fiji National Hash that Suva would play host to the 4th Nash Hash in 2005. (If that had escaped your attention you're a bloody good Hasher and you should have another beer.)

Planning started on January 10, 2005 when Premium asked 'what the hell have we done'. A formal meeting was held on February 2 setting the dates of 8, 9 and 10 October as the 4th Nash Hash schedule. In all likelihood the event will be held in and around Suva. For information the planning committee consists of Premium, Model T, Silent Knight, Ta Skala, Wontok, Innerspring, NOT, Spiderman, Snapper, Yet2B Eaten and Reverend.

Discussed and agreed at that (2 Feb) meeting was that the theme would be 'Education'. We will be obtaining support to sponsor the education of children through a recognised charity. Work has already been completed on securing a

charity organisation and its name will be announced soon. A draft registration form has been designed and will be in your email box shortly when we put the registration fee on it; and decide what you will receive for your money.

Our second formal meeting is to be held tomorrow, 16 Feb, evening.

We will keep you informed of further progress. Should you require any information please email Yet2B Eaten as she is our Committee Secretary.

On on (to Nash Hash IV)
