FIL-AM STRIKE POT (Week 1) RESULTS:

With \$35.50 collected in the first week, two tickets were drawn at random... and the lucky bowlers selected were Karen and Wil. With \$17.75 at stake for a strike, Karen was first to try. Her shot was a little light, and she left the 2-4-5... but with a 7-count, she won \$3.50. Next up was Wil, who promptly threw a strike for half the pot. So, next week the Fil-Am Strike Pot starts at \$14.25.

How the Fil-Am Strike Pot works:

1. The cost is 50 cents per ticket. All money collected goes to the Strike Pot.
2. If the Strike Pot is less than \$20 (twenty dollars), only one ticket will be drawn with the chance to win the entire Strike Pot. If the Strike Pot exceeds \$20, the pot will be divided in half and TWO tickets will be drawn, each having a chance to win half the pot.
3. The winning ticket(s) will be drawn after the end of the 2nd game.
4. If your ticket gets drawn, you get the chance to win money! On your next frame, if you throw a strike, you win; the entire Strike Pot if the Strike Pot is less than \$20 or half the pot if the Strike Pot is over \$20 (remember TWO tickets will be drawn if the Strike Pot is over \$20). If you do not throw a strike, you win 50 cents for each pin knocked down.
5. Any remaining money will be carried over to next week's Stike Pot.
