FIL-AM STRIKE POT (Week 2) RESULTS:

The Fil-Am Strike Pot started with \$14.25 carried-over from last week and \$39.00 was collected giving us a total of \$53.25 for the Week 2 Strike Pot. The two lucky bowlers selected were Margie and Edgar who were shooting for \$26.75 and \$26.50, respectively. Edgar threw first on lane 14... a nice, slow hook right into the pocket... but a stubborn 7-pin refused to fall... and \$4.50 went into his pocket for a 9-count. Margie (also throwing on lane 14) got up and threw a textbook Brooklyn shot for a strike and (CHA-CHING) \$26.75. Week 3 starts at \$22.00.

How the Fil-Am Strike Pot works:

1. The cost is 50 cents per ticket. All money collected goes to the Strike Pot.
2. If the Strike Pot is less than \$20 (twenty dollars), only one ticket will be drawn with the chance to win the entire Strike Pot. If the Strike Pot exceeds \$20, the pot will be divided in half and TWO tickets will be drawn, each having a chance to win half the pot.
3. The winning ticket(s) will be drawn after the end of the 2nd game.
4. If your ticket gets drawn, you get the chance to win money! On your next frame, if you throw a strike, you win; the entire Strike Pot if the Strike Pot is less than \$20 or half the pot if the Strike Pot is over \$20 (remember TWO tickets will be drawn if the Strike Pot is over \$20). If you do not throw a strike, you win 50 cents for each pin knocked down.
5. Any remaining money will be carried over to next week's Strike Pot.
