For Life's Transitions ~ *The Masonic Care Community is truly...*

"A Place for Everyone."

What really sets us apart is our continuum of care approach. We provide a smooth, comforting transition from one level of care to the next, for every stage in life's transition.

There's independent retirement living at Acacia Village, residential adult care at Wiley Hall, and skilled nursing care at the Health Pavilion. Our community also provides rehabilitation, respite and palliative care as well as home care services.

These carefully planned living arrangements encourage natural interaction between staff, residents and their families, all within a beautiful 400-acre setting.

Spend a few Moments to get to know us. Discover the hope, compassion, independence, support and close-knit relationships that are at the heart of the Masonic Care Community.

This is an invitation to go to the Masonic Care Community in Utica, NY. Tour the grounds, see the library, chapel, Research Center AND participate in the annual Christmas in May Celebration.

When: May 16, 2009 ~ MUST make reservations.

Cost: \$10.00 ~ Includes: Bus ride, snacks & beverages on board the bus AND lunch at Acacia Village
