

- CHORUS

"IT'S TIME TO SET THE TABLE" LORD
MY MOMMA ALWAYS SAID
BEFORE EACH MEAL, AND EVEN WHEN
SHE TUCKED ME INTO BED
"ASK JESUS TO TAKE CARE OF YOU
KEEP ALL BAD DREAMS AWAY
'TIL I SEE YOU IN THE MORNING, BOY
AND WE START ANOTHER DAY"

1-V

My Momma quoted scriptures now
And sayings from her past
To help her get her point across
For her an easy task
"IT'S TIME TO SET THE TABLE" meant
We learn from things gone wrong
And we really must get on with life
It's time to move along

2-V

Like the first day that I started school
I acted awful bad!
I held onto her apron strings
With all the strength I had!
"Go on," she smiled, her knowing smile
Then gave my butt a whack!
"One day you'll find a girl in there
Then ten mules won't hold you back!"

3-V

And Lord like it was yesterday!
Before her words could fade
I married little Robin Green
My sweetheart from first grade!
Then Mom said "I'll want grand kids now
To sit upon my knee
"IT'S TIME TO SET THE TABLE" son!
Make a grandma out of me!"

4-V

And then when her time came along
She said "Son, I'll be fine
I'm goin' to meet your Daddy in
Another place in time"
Then I listened close- as her eyes closed
And she lay back in her bed
"IT'S TIME TO SET THE TABLE" Lord!
Were the last words Momma said

- REPEAT CHORUS

Fade... "IT'S TIME TO SET THE TABLE" MEANT
WE LEARN FROM THINGS GONE WRONG
AND WE REALLY MUST GET ON WITH LIFE
YES, IT'S TIME TO MOVE ALONG...
