"ON THAT MOUNTAIN ONCE AGAIN"

- CHORUS -

IT'S TIME TO SHOUT IT OUT DEAR FRIENDS  
FROM EVERY POINT ON HIGH  
LET'S ALL JOIN IN AND SAVE THE EARTH  
OR IT WILL SURELY DIE  
WE'RE IN THIS ALTOGETHER NOW  
IT'S WAR AND WE MUST WIN  
IT'S TIME TO GO AND TELL IT  
"ON THAT MOUNTAIN ONCE AGAIN"

1-V

If all of us pollute the Earth  
And rob it of its wealth  
Well soon we'll find that history  
Will just repeat itself  
If we persist in killing trees  
The sun will bleach our sod  
And then the only thing we'll reap  
Will be the wrath of God!

- REPEAT CHORUS -

2-V

Yes Mother Nature's wearing thin  
Her clock may stop it seems  
If all of us don't clean the air  
Stop dumping in our streams  
Each day Earth dies a little more  
Each time man takes a whack!  
And pretty soon the Indians  
Won't even want it back!

- REPEAT CHORUS -

3-V

Now what I said 'bout history  
Don't let that get you down  
'Cause soon they'll just be silent days  
No one will hear a sound  
Those thoughtless ones will cry "Why me?"  
No one will hear their yell  
The good will go to Heaven but  
The rest will bake in Hell...

- REPEAT CHORUS -

Fade - Slow . . .
