VERSE

Ain't got no more money now
I lost all I had
Ain't got no fancy car or great big pool
All that I have left to me are the clothes on my back
Just one more day in the life of a fool

VERSE

I have had so many, many lonely nights
And there is no one I can call my jewel
I have made my bed and now that's where I'll lay my head
Just one more day in the life of a fool

CHORUS

YES ONE MORE DAY IN THE LIFE OF A FOOL
I'm payin' now for breakin' all the rules
Oh I know that I was wrong, and what I did was cruel
Just one more day in the life of a fool

BREAK

REPEAT CHORUS

VERSE

So Lord when I DIE HAVE SOME MERCY IF YOU PLEASE
On a low down man who thought that cheatin' was cool
I hope I get to heaven 'cause I'm livin' here in hell
It's that way, everyday in the life of a fool

REPEAT CHORUS
