

"TWO WOMEN IN LOVE WITH ONE MAN"

1-V

Now this is a story that happens a lot
Though it's different as A, B and C
It not only deals with affairs of the heart
But affairs of the family tree
At times there's some friction at times not a bit
'Cause Lord it's all part of a plan
Of a wonderful story that all has to do
With "TWO WOMEN IN LOVE WITH ONE MAN"

- CHORUS -

NOW ONE'S A LOT WISER AND OLDER BY FAR
STILL THE OTHER IS CUTE AS CAN BE
AND ONE SETS THE TABLE AND COOKS SPECIAL MEALS
WHILE THE OTHER JUST SITS ON MY KNEE
AND WHEN I TELL 'EM BOTH THAT THEY HAVE ALL MY LOVE
WELL I AIN'T GOIN' OUT ON A LIMB
'CAUSE I DO IT JUST KNOWING IT'S O.K. WITH THEM
AND I THANK GOD THAT IT'S O.K. WITH HIM...

2-V

A lot of things happen 'round our house each day
That you won't hear about on the news
Like one of my ladies takes naps with the cat
While her puppy runs off with her shoes
By now it's as plain as the nose on your face
That I wrote this so you'd understand
That one girl's my daughter, the other's my wife
My "TWO WOMEN IN LOVE WITH ONE MAN"

- REPEAT CHORUS -

3-V

Now one says "I love you" then turns out the light
That's her scene at the end of the day
The other has problems when she does the same
'Cause most times there's a thumb in her way
But I wouldn't trade either for ten million more
Of the most gorgeous girls in the land
'Cause all eyes are on us when we go to town
With the three of us all holding hands...

- REPEAT CHORUS -
