"WHO'S CHANGING THE RULES?"

1-V

Before some fool can give your kids  
A lot of booze and dope  
You better hold 'em close each day  
And give 'em love and hope  
Just keep in mind there's no holds barred  
With kids out seekin' fun  
Neglected minds play "trick or treat"  
With fully loaded guns!

CHORUS

"WHO'S CHANGING THE RULES?"  
'CAUSE LORD IT'S A JOKE  
THE FIRES OF WISDOM  
HAVE GONE UP IN SMOKE  
WHILE MOMMY AND DADDY  
ARE OUT MAKIN' GAINS  
BROTHER AND SISTER  
ARE FRYIN' THEIR BRAINS...

2-V

You gotta love your neighbor, Sir  
Yes that's a fact of life  
But if you love your neighbor, Sir  
You won't sleep with his wife  
If your kid has to face this world  
He must be proud of you  
Whatever "monkey see" my friend  
Remember "monkey do!"

CHORUS (# TWO)

"WHO'S CHANGING THE RULES?"  
THE FACTS ARE ALL THERE  
WHO'S TEACHING THE CHILDREN  
IT'S STUPID TO CARE  
A CASE OF RELIGION  
IS SOMETHING REAL BAD  
"WHO'S CHANGING THE RULES?"  
THIS WORLD GOIN' MAD....

3-V

Some lyrics in our songs today  
Tell kids to climb aboard  
A dope train going nowhere fast  
With no room for the Lord  
The Devil's at the throttle and  
He's clanging hatred's bell  
In double timing fury, Lord  
Streamlinin' straight for Hell!

REPEAT CHORUS (# TWO)

Then fade... While Mommy and Daddy  
Are out makin' gains  
Some of the children  
Are fryin' their brains  
"WHO'S CHANGING THE RULES?"
