

Charter of the Florida Chapter of the Society for Conservation Biology

Article I

Name

The name of the Chapter is the Florida Chapter (hereafter referred to as “the Chapter”) of the Society for Conservation Biology (hereafter referred to as “the Society”).

Article II

Principal Office

The principal office of the Chapter is located at:

Florida SCB
P.O. Box 110430
Gainesville, FL 32611
USA

Article III

Objectives

1. Promote membership in the Society and participation in the Chapter’s activities.
2. Encourage an interdisciplinary approach to conservation biology.
3. Promote development of skills needed by professionals for effective participation in the field of conservation biology.
4. Promote a forum for awareness of and involvement in local and global conservation issues.
5. Advance and articulate positions of the Society on matters of public policy.
6. Promote a high standard of professional integrity in the field of conservation biology.

Article IV.

Members

The Chapter shall have voting members as set forth in the Chapter’s bylaws.

Article V.

Dissolution

Upon dissolution of the Chapter, its assets shall be transferred to the Society for Conservation Biology.

Article VI
