AHH, THAT'S BETTER!

A judge in Louisville decided a jury went "a little bit too far" in recommending a sentence of 5,005 years for a man who was convicted of five robberies and a kidnapping.

The judge reduced the sentence to 1,001 years.

Welcome to Michael & Gillian Parker 1962 MkII

President's Report

Another month has gone by with a lot still going on for Members to get involved in.

Congratulations to members that won trophies at the show and shine, I was disappointed that I could not make it this year.

International Convention is only a few days away now but if you haven't registered they may still expect your registration. For the members who have registered please check with another member to arrange times to travel the Christchurch.

We have been using our Zephyr a lot over the past few months with a trip to Ranfurly Art Deco Festival, Havelock Mussel Festival and also used the MK 2's for my cousin's wedding.

We are looking for other weekends away so if you know of or are going to any other Festivals - please let us know and we can advertise in the Mag and maybe arrange a club run or other members to go.

South Canterbury weekend September - we have had 2 suggestions for trip away 1. Akaroa and 2. Kingston - more details in next mag. Any other suggestions please contact me.

SHOW AND SHINE RUN

Members left Ken Wills at 1.30 pm for Temuka and picked up 3 cars outside the Temuka Domain, we then headed on out to Clandeboye, then up to Rangitata and on to Geraldine.

We had the display in the Geraldine Motor Camp at the town end. Judging was done by Bruce Browne and then afternoon tea in town and then everyone dispersed to go home. A lovely day was had by all.

Talking to Ron I asked how long he had owned the MK 2 and on checking the ownership papers I noted the car was purchased new by George and Amy McAuley. George and Amy have been our neighbours for over 20 years and it was great to have purchased a car with such special history. Amy was delighted that we had purchased their old car and I now have photos taken in March 1958 as a new vehicle. The car was sold to Ernie Sprague (dealer) who in turn sold it to Charlie Tottall. The restoration is now underway at a Restoration company in Christchurch - so watch this space.

The Old Man and the Sea

A seaman meets a pirate in a bar, and they take turns to tell their adventures on the seas. The seaman notes that the pirate has a peg leg, hook, and an eye patch. Curious, the seaman asks "So, how did you end up with the peg-leg?"

The pirate replies "I was swept overboard into a school of sharks. Just as my men were pulling me out, a shark bit my leg off".

"Wow!" said the seaman. "What about the hook"?

"Well...", replied the pirate, "We were boarding an enemy ship and were battling the other sailors with swords. One of the enemy cut my hand clean off."

"Incredible!" remarked the seaman. "How did you get the eye patch"?

"A seagull dropping fell into my eye", replied the pirate.

"You lost your eye to a seagull dropping?" the sailor asked.

"Well..." said the pirate, "That was my first day with the hook."

1958 MK 2 ZEPHYR

I bought the car in April 1985 from a Mr Charlie Tottall who was the 3rd owner. We used the car every day to go to work and in the Whitebait season I would pack it full of supplies and head for the Haast river on the West coast.

Because the previous owner didn't garage the car, the doors suffered from blocked outlets and the doors had to be repaired for rust. This was done by Tich Findlay in the middle of 1989. I then put the car in the shed and started to do it up which didn't go to plan as I had hoped. I am only sorry I didn't get more done but because of health problems I sold the car to Phil Rooke early in 2006.

Ron Thompson.
