# Southern Connection 2008

The second meeting of the Southern Connection, 2008 organizing committee was held at the Hinds Tavern last week. Five members plus three wives attended.

Ross Todd the head of the venues committee, reported on their meeting with staff from the Hotel Ashburton. They were shown around the complex as well as inspecting the accommodation.

Luckily we had pre-booked the Hotel as another group also wanted for Easter Weekend 2008.

We discussed quotes from four different bands for the Saturday night, before selecting and officially booking one of them.

As a fundraiser for this weekend we are selling 20 kg bags of potatoes for \$6.00 delivered. John Hull is organizing this, so please get in behind him..

Our next meeting is on September 12th.

# President's Report

## *PRESIDENTS REPORT*

What a month - winter has gone and spring has arrived, the weather is getting warmer.

Great conditions to be out in your garages tinkering with your Zephyrs.

Good to see Bruce getting good support in the run to Geraldine and yes - I did break down'!

Thanks to Alan Leggitt for the tow to Geraldine and Jim Macdonald for sorting out the problem.

I have never seem so many camera's appear out of nowhere to capture the moment. We did drive home on our own.

Several members attended the **Social evening** at the RSA on Saturday night - a very nice evening was had by all.

If you have any ideas - suggestions for other evening events contact Bruce Bishop Club Caption.

***Hanmer Springs Weekend Trip Friday 22nd September - Monday 25 September 2006.***

Accommodation at **Alpine Lodge Motel** 0800 99 33 77 - covered parking, please arrange your own accommodation direct with motel.

Studio unit \$110.00 night - other rooms available as well.

In past years the Hanmer Springs weekend was always a great weekend with the Christchurch and Marlborough Clubs coming through to see us.

A good weekend to have some **R** and **R**

Till next month happy Zephyring.

Phil Rooke.

# Talbot Forest Cheese Run

**Saturday 23rd July**

Twelve club cars turned out on a glorious July day to take part in a cruise to Geraldine.

We left from Ken Wills, Washdyke about 1.45 pm and travelled through Levels, past Timaru Airport to Pleasant Point, on into Totara Valley, the big country side looking a real picture considering the 'bit' snowfall last June. On we went via Raincliffe and onto Skipton Bridge and cruised onto Geraldine passing through Gapes Valley.

We were in the seventh car in the convoy and nearing Geraldine when we realised there was three cars missing from the end of the group. On arriving in Geraldine contact was made with the missing cars and we learnt our President was being towed by Allan Leggitt, with Jim Bower bringing up the rear guard.

Phil and Mary Jeans MKII had only hit the road a day or so before this event after four years rest, it sounded like a case of too much rest before a big event, we all hope the proud owners get it sorted soon.

Cheese tasting at Talbot Cheese by members was then underway, unfortunately not talk on cheese making as the person concerned had been called away.

Ice creams, milkshakes, coffee etc were enjoyed over a chat in the afternoon sun.

Members then drifted off home after an enjoyable afternoon.

Mk II 1961

We have a near complete car which has everything in it except motor and diff head, which we can put with the car shell to help you make up this car. It has all the original seats, wheels, front end complete, ? Just to bolt into the shell.

If this happens some of the parts marked 'Car' do not have to go with, but I will help you out on this.

We have a block only no head as yet for crank shaft, the other car has a gear box in it, I have got a Mk II diff head.

We hope to be able to market this at \$1,250.00.

All prices are negotiable to some degree.
