Ashburton Run

With about 16 members attending, our northern branch organised a Sunday run to the Hinds area, meeting at Bill Ridder's garage at Hinds at 10 o'clock. While waiting for everyone to arrive we had a look around at work in progress.

The weather was extremely wet and cold all day

We left for Ron Roberts property just out of Hinds to view and look over his super launch he is building. (About 36 foot long.) We were given a very informative talk about his project and then a look over it. (Made out of aluminum). Then a cuppa in his wool shed and a look at memorabilia.

After this we went to N Wilkins private collection of cars, in a nice new shed, 4,500 square feet, of fully lined shed with 8 beautifully restored cars in it. Mainly Chrysler, Model A's and some Morris's, with a very nice bar in one corner which we sampled later on in the workshop area.

There was an early Chrysler on the 2 port hoist in the process of being restored.

Then we went to the Hinds Tavern for lunch and left for home at about 3 p.m.

Great day had by all - Thanks northern branch!

Lines to make you smile

My husband & I divorced over religious differences. He thought he was God and I didn't.

I don't suffer from insanity: I enjoy every minute of it.

I work hard because millions on welfare depend on me!

I used to have a handle on life, but it broke.

Out of my mind. Back in five minutes.

Presidents Report

Happy New Year! Looks like it is going to be a busy one.

I meet up with some Invercargill club members and they have suggested a get together at Twizel sometime this year. Will keep you posted.

Reminder about Easter - have you booked the ferry and accommodation yet??

A very big thanks to Reg for the great Christmas Party, everyone enjoyed themselves. A hard act to follow.

NOVEMBER RUN TO OAMARU

8 cars left the south end of town at 10 a.m., first stop south of St Andrews to have a look at Wayne Skinners cars. A Mk 3 Zodiac and 3 Mk 4's.

Then off to Oamaru, running a bit late. Meet up with Oamaru club members with a wee catch up. Trevor and Yvonne led us into town to have a look at a car auction. Rovers, Austin Landrover and other cars and old signs all up for sale - it was hard to get club members to leave!!

A drive around Oamaru - TOTAL CHAOS - with Zephyr's going all over the place, but we got together on the main street. After we all had lined up, we left for Kakanui for lunch and a catch up.

Oamaru South has a new home going up and land price's are so high! Oamaru is doing well.

Some club members left for Timaru, the rest went to Trevor and Bev's part shed. Thank you Trev & Bev.

Then home time.

I would like to thank Oamaru members for a good day out. Good to see Andrew Jopson (Mk 1), new member Bev Cook and Les Beckingsale all from Oamaru.
