Christmas Party

A busload of Zephyr club members went to Ashburton MSA for the Christmas get-together. Bruce drove ... isn't it great when someone else does the driving and leaves you to do the drinking?

Our hardworking northern branch had reserved a private room for our dinner and decorated it beautifully. Drinks were available from the adjoining bar and the meal was served in our room.

What more could we ask for?

The company was great and we all had a lot of catching up to do. We were joined by a few Christchurch members which added to the interest.

After the meal Father Christmas arrived in a wheelchair sleigh, drawn by some very fetching reindeer and attended by some delicately beautiful Christmas fairies. They thundered (tripped lightly in the case of the fairies) around the room a few times dispensing lollies and good cheer.

We spent the rest of the evening chatting and listening to music from the adjoining dance floor.

A good humoured and friendly night out.

We were delivered to our door by the bus driver too.

Thanks to all concerned.

President's Report

Christmas and New year has been and gone and I hope you all had a good time with family and friends.

What a night at the Christmas Party, many thanks the the Ashburton members for decorating the Function room and very nice touch with Santa and his helpers arriving.

Doreen Todd made a great Christmas cake which went down a treat - great effort.

Also many thanks to Bruce for arranging the night and driving the bus - great pick up and drop off service.

Over the past few months 2 club cars have been sold to the North Island, Jim Bower's MK 3 Zephyr and my MK 3 Zodiac but we have had one MK 2 Zephyr come back from the North Island and a potential new club member.

Busy start to 2007 - Ranfurly run 24 February - see Jim McDonald for more information, club runs and National Convention Christchurch Easter (This will be a great weekend).

I am going to the Havelock Mussel Festival 17 March - if anyone is interested in coming please contact me or Mary-Jean.

We need Photographs and information for Mag - information to Jim Bower or myself would be great.

Looking forward to an exciting and busy year.

Rookie.
