JOKE

WHO SAYS MEN DON'T REMEMBER ANNIVERSARIES?

A woman awakes during the night to find that her husband was not their bed. She puts on her robe and goes downstairs to look for him.

She finds him sitting at the kitchen table with a cup of coffee in front of him. He appears deep in thought, just staring at the wall.

She watches as he wipes a tear from his eye and takes a sip of coffee.

“What’s the matter, dear?” she whispers as she steps into the room, “why are you down here at this time of night?”.

The husband looks up, “Do you remember 20 years ago when we were dating, and you were only 16?” he asks solemnly. The wife is touched to tears thinking that her husband is so caring and sensitive.

“Yes, I do” she replies. The husband pauses. The words are not coming easily, “Do you remember when your father caught us in the back seat of my Zephyr making love?”

“Yes, I remember” says the wife, lowering herself into a chair beside him.

“Do you remember when he shoved a shotgun in my face and said, “Either you marry my daughter, or I will send you to jail for 20 years?”.

“I remember that too” she replies softly.

He wipes another tear from his cheek and says...“I would have gotten out today!”.

This happened on the West Coast last year. Where 4 wheel drive vehicles just fall off the road after encountering Z cars.

SAY IT NICELY!

- * It’s always darkest before dawn. So, if you’re going to steal the neighbour’s newspaper, that is the time to do it.
- * No one is listening until you make a mistake.
- * Always remember you’re unique - just like everyone else.
- * Never test the depth of the water with both feet.
- * It may be that your sole purpose in life is simply to serve as a warning to others.
- * It is far more impressive when others discover your good qualities without your help.
- * If you think nobody cares if you’re alive, try missing a couple of car payments

Temuka Run

A good turn out of cars with one exception - a MK 5 Mazda - because Laurie has dented his Zephyr by hitting a trailer!

Reg and Laurie organised the outing to visit 3 great houses. The first was 'The Manse' which is occupied by an English couple who bought the house unseen off the Net. The house includes 30 acres of land. The owner is an astute business man who had sold businesses to re-establish himself in New Zealand.

Wonderful old place with beautiful timber, especially the Kauri.

The next place was the Presbyterian Church Hall in Hally Terrace. Purchased by and Aussie couple who are renovating the hall for accommodation and conferences.

The next property, Ashfield House, is set in wonderful gardens with Redwood trees. Run as a B & B, the hosts Ray and Wendy Pearson gave us the history of the wonderful of house and showed us around the grounds before allowing us to look through the house.

Afterwards we were treated to an afternoon tea in the gardens.

A wonderful afternoon enjoyed by members and guests.

Many thanks to Reg and Laurie for organising this event.

Alan Liggitt was on his first run in his MK 2 and also Bruce Clarke (who has bought Gary Lash's Mk 3 Z car). Great to see all the other Z cars on the run.

Presidents Report

Hi again,

This year is going so fast - with Easter only 2 weeks away, I have been working on the MK 1, new brakes, new axle, etc. All ready for the trip to the North Island. I had hoped to take the MK 2 Coupe, as it is all painted now - and ready to go to the upholstery shop, it will be finished one day.

With our Club AGM looming please start thinking about going on the committee.

We think we are going to have Southern Connection next year.

Club Captain's Report

We have had a busy start to the years activities with a trip to Ashburton in January, February with a run to Temuka for a house visit arranged by Reg and Laurie.

Feb 26 and 27th members travelled to Ranfurly for an interesting Art Deco weekend. Staying at the Patearoa Hotel. The cars are certainly Deco, I'm not sure that the passengers are though!!

March 13th is our Show n Shine, as we arranged last year to hold this 2 weeks before Easter Convention. So come on get those cars ready and bring them along to the Show n Shine.

Would the holders of the trophies for the Show n Shine please return these to the club Captain before the 13th of March.

The convention over Easter in Taupo will see a number of members and cars travelling up, mostly the week before for some sight seeing before the big weekend.

The Winchester Swap Meet is on the 2nd of April.
