

JOIN THE FORREST HOME & SCHOOL!

Dear Forrest Families & Faculty:

The Forrest Home & School Association's 2008-09 General Membership Drive has begun. Our goal is 100% participation from the families of our 950+ students. We are asking each of you to contribute \$5.00/per family for general membership into the Association. You will receive a H&S Membership Card upon joining.

If you send your membership dues back to school by September 30, 2008, your family will be entered into a drawing for a gift card to Walmart.

NEW!! The top classroom with the highest percentage of families who have joined Forrest Home & School will receive a special prize package for each student. The teacher of that classroom will also receive a special gift. This contest will run from Day 1 until October 31, 2008. If it is a tie, the classroom who obtained the final number first will be declared the winner.

Home and School is a direct link between you and your child's school. We support our Forrest School by providing materials, special events and equipment that the School District doesn't provide. Your support will benefit your children.

Return below tear-off to H&S Membership Committee w/\$5.00 dues/per family (CASH ONLY) in an envelope to your child's teacher. **Your contributions are gratefully accepted if you choose to donate more than the \$5.00 fee.**
