

LIGHTYEAR

XSTREAMSM

DSL

... a better way!

Lightyear XSTREAM Residential DSL provides broadband Internet access using your existing telephone line to carry high-bandwidth, data, video and voice communications.

Check availability – Simply send an email to lightyearalliance@lightyearcom.com with your name, address and phone number.

Easy to order – Based on availability verification you will receive an application for service from Lightyear Alliance. Simply fax the signed application to 866-357-2712.

Easy Installation – The modem is \$49.99 (that's a \$50 discount for Lightyear Alliance Reps.) You will receive your installation kit/modem usually within 2-3 weeks from ordering. Most customers get their service installed and up and running in 30 minutes or less. Should you run into any difficulty during the installation, simply call our 24-hour Customer Care Center (877-678-7767) and an installation expert will provide assistance.
