Dear Frank:

CONGRATULATIONS ON YOUR GRADUATION FROM HIGH SCHOOL!

Whether you choose to continue your education, serve your country or enter the job market, you should be very proud that you have passed a major milestone in your life and have accomplished something that will be of great value to you, your family and your community.

I cannot stress how proud I am of your graduation. In today's America, education is the key to success. I hope that you will make every effort to continue your education throughout your life and career in order to make your life the most that it can be.

Another milestone close at hand is your 18th birthday. With it come many rights and responsibilities. One of the most important of these is the right to vote. May I encourage you to exercise this right to its fullest degree. The election of the individuals who represent you in our government is a serious endeavor and your participation is essential. Without your voice and your vote, you cannot expect those who are elected to respond to your interests.

I wish you luck in all your future endeavors and hope that you won't hesitate to contact me or my staff if we can ever be of service.

Very truly yours,

A handwritten signature in black ink that reads "Eliot Shapleigh".
