

## Big Oak Ranch

John Croyle

Dear Harbor Light SS,

Recently a grandfather stopped by to deposit his two granddaughters because their men wasn't a good man & his wife was too old to care for them anymore. We see this weekly and after 33 yrs it still blows my mind that families quit on their children.

This is where your love & support of \$1000 is making a real difference. These sisters are safe now & have a home because of The Lord & you.

Thank  
John
