

Here is my product info in text form. My cheap-o catalog (Xeroxed) is \$1, but I throw them in free with an order if you ask.

Note that kits marked * are not necessarily available as a result of my balsa wood supplier moving to New Mexico. When I can secure a reliable source of quality balsa that is not expensive I will produce these kits again.

Discount is 25% for anyone if your order is over \$100 net.

Shipping fee is \$8 for orders up to \$50, \$12 for orders between \$50 and \$100 and \$15 for orders over \$100.

Please specify if you want kits "bulk-packed" for classroom use.

Payment can be Paypal, check or money order to:
