

Cognitive Dissident

I've an interesting life; included in 4 histories; autobiography in Liberty magazine 6/2004. My libertarian pagan, Mensa, theorist, humorist, songwriter, storyteller, activist, fundraiser life made possible by MDMA and hemp. I've headhunted stockbrokers and was booking agent for Timothy Leary, Robert Anton Wilson and Goldwater speechwriter Karl Hess. Bailed out by Grateful Dead lyricist. I've been to 20 countries and rock and classical concerts, Burning Man, Rainbow Gatherings, Green, Anarchist, Conservative and Libertarian, Pagan, science fiction events finding friends, networking and ideas. Looking for meaningful correspondence, editing and/or future residence, relationships and livelihood. Learning Microsoft. Active in civil liberties, peace, taxpayer, legalization and futurist circles. Google my work and respond with your words or other writings. Will send prison writings for publishing. Interested in how freedom, spirituality, social change movements, cultures, technology and other factors make new worlds possible. What's happening with you?

Reading Joseph Campbell, mythology, science fiction, classics and NY Review Books, Reason, Liberty and Mother Jones and whatever you send. Out 9/2008, 57 y/o SWM healthy and willing to move. Relationship with nice woman possible, seeking friends as well. Amazing references available.
