

FYAA 2008 SEASON

Welcome to all players and parents;

The FYAA baseball/softball season is fast approaching and I wish to provide you all with some information prior to the start of the season.

*The **Opening Day Ceremonies** are scheduled for Saturday, April 19, 2008. We are scheduling another fun filled family day with lots of activities planned and will be announced as we get closer to the day.*

Over the fall and winter we have been making huge improvements to the complexes. At Central Park we have an entire new "Little Fenway" with a brand new Green Monster wall and entire new infield. We have been working on the other fields at Central Park as well with edging and at infield mix to the fields. At KRR we have constructed new dugouts on the Major League field, repaired the fencing at the Softball field, and have torn down the entire outfield fence at Magno. We will be replacing that outfield fence as well as some of the fencing at the Major League Field. We are progressing towards having bathrooms and running water at the KRR concession stand as well.

Spring Cleaning** needs to be done in order to have safe and reliable fields for our children to play on and we need your help. If everyone donated one (1) hour during the course of the day then we would have three hundred (300) hours of work completed in just one day. We have scheduled spring cleaning for Saturday March 29, 2008. We will post field assignments on the web site in a few weeks. **PLEASE HELP US!

WWW.FYAA.COM Please visit this site often as we will continue to post important league information. In addition we have added a comment and suggestion box as well, this information will be forwarded directly to the league president.

Please remember the two important dates noted above 3/29 (Spring Cleaning) and 4/19 Opening Day

Thank You!
