Thank you for
the support &
time of my
brother Johns
passing, & also
the generous
donation to the
eye bank in his
name is much
appreciated.

Lion Mary Olson
& Family

From the President: Homer Melton

Changes Are coming up: We still
Need ways to raise Monies to bring
Our General account up, we have
Some ideas, but need more and have
Someone in charge of getting these
Ideas into reality. I am going to
Appoint someone to be in charge of this and need some
Others to help out too. By the way Terry, I need a new
Picture.

Springbrook Bridge Done !!

Thanks to all who helped out and made this possible. It's been years since
the Fridley Lions did a major project for the community, and made 3
different newspapers also.

A Great Idea!!

I am going to be having a Car show Every weds Night starting in April 08 at the Holiday on 57th ave .

I will be selling hotdogs, Pop ect and donating the funds to The Fridley Lions. If you are interested in helping, contact Lion Rath. We Need the Money!

Congratulations fellow Lions, you are to be commended for a job well done! The bridge project at Springbrook Nature Center (SNC) is essentially complete other than some dirt and wood chip restoration on the approaches to the new 24' bridge. We can be proud to have finished a project successfully and under budget while making a contribution to our city park. Once again the Lions have reinforced the commitment to service as "We Serve" our community. THANK YOU to Lions all, Jim Glaser, Pete Borman, Charlie Kramasz, Bob Mickelson, Dean Saba, Jim Hamilton, Jim Kostick, Terry Rath, Bill Erickson and John Banholzer. A special thank you to non Lions Siah St.Clair, Jim Hamilton's son James Jr., Jim Glaser's friend Tom Scholer and Bruce Norberg, Terry Rath's son T.J., and Charlie Kramasz's son Paul.

We did a good job and quickly, so that Lions that had signed up for the Sunday work were not needed. Still, I thank Lions all Dan Wiborg, Josh Callahan and Bud Dauphin for committing by signing up to work on Sunday.

Every project chair knows the task is made much easier if you receive the support of the members so thanks to all for that support. Although it was work it looked to me that every participant had fun and enjoyment working side by side. Chalk this one up in a continuing long list of Fridley Lions' accomplishments.

Lion Scott

Lion George and wife Marie

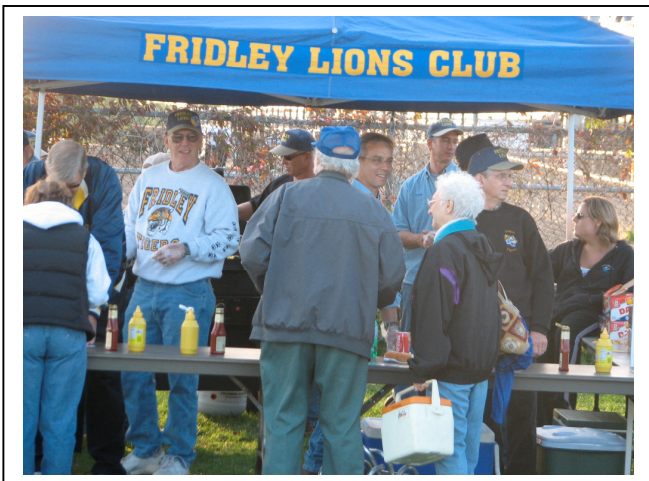

Lion Josh & Family.Lion Pres Melton

Lion Kostick & Family.

Another Great Family Get together. Thanks to all who showed up and supported the Day!

Another great year to sell Hotdogs and such at the Fridley Highschool Football Game. Here are some highlights

The Fridley Lions Club in support of the Fridley Tiger's Football Team helped celebrate the All Alumni Homecoming event by barbecuing hot dogs and selling pop and chips as a fundraiser for the football boosters. This is the 2nd of 3 home games for this tailgating event with the final game being Friday October 12th. This is the 13th year our club has performed this service. Upon completion of the final game a donation will be made to the Fridley Football Booster Club. This group supports the team through the purchase of uniforms, equipment and supplying meals for the team. Fridley Football gives a large thanks to our club by placing a big banner on their field fence with the words:

Thanks you Fridley Lions. This was placed right at the entrance so everyone going to the game can see the banner. This is just another service project we perform for the community.

Thank you for the flowers & support in the loss of my mother. It was very grateful for the Lions to do this for our family.

Officer Grant Merseth & Family.
