

Math - 6th Grade

Periods 1,3,4,8

Instructor:

Mrs. Frisch

E-mail: jfrisch@d76.lake.k12.il.us

Phone: (847) 566-9220

Class Website: <http://www.geocities.com/frischmath>

Room 37

Required Materials:

These materials must be brought to class every day. Supplies will need to be replenished throughout the school year.

- ✓ 2 sharpened pencils (**NO** pens!)
- ✓ 1 pocket folder
- ✓ 1 single-subject spiral notebook (70 pages, wide ruled)
- ✓ Math textbook
- ✓ Student planner (assignment book)

Rules:

Appropriate classroom behavior ensures the best learning environment for everyone and is expected at all times. Our classroom has two main rules:

1. Be a respectful citizen.
2. Be a self-directed learner.

Students choosing to break classroom rules will be issued a suitable consequence by the teacher. Parents will be notified by a note or phone call. If necessary, appropriate administrative action will be taken.

Homework:

Daily homework assignments are due at the **beginning** of class unless otherwise specified. Full credit will only be awarded to assignments turned in on time. Being a "self-directed" learner means putting forth your best effort and completing assigned work in a timely manner. Your parents will be notified if you repeatedly turn in late work or fail to submit assignments. You are expected to stay after school for "Math Quest" if you need extra help or support.

Grades:

Grading Scale

100%-91%	A
90%-82%	B
81%-73%	C
72%-65%	D
64%-0%	F

Overall math grades are point-based and will be determined by student performance in the following areas:

1. Homework
2. Tests
3. Quizzes
4. Class Work/Group Work
5. Extended Responses (P.O.W.'s).
