Green Mountain State

When you here the words *The Green Mountain State* where do you think of, Tennessee? Well that would be wrong, the Green Mountain State is Vermont and I had the opportunity to attend their 135th Grand Chapter’s “Forest of Angels Session” on June 8-9, 2007.

Just seeing how another state holds their Grand Chapter session is a wonderful learning experience.

I learned that Vermont does not have any Job’s Daughter bethels but they do

have the International Order of Rainbow, these lovely young ladies did the American Flag tribune, which was a beauty tribute to the folding of the flag and the explanation of each fold was read.

I attend the “Otter Eat With Angels” Grand Representative Banquet. There were approximately 200 attending including the Most Worthy Grand Matron Barbara Benton and the Most Worthy Grand Patron William E. Owen. At the banquet, I was presented with an Honorary

Membership in the Grand Representatives Association of Vermont.
