ApHC

Dear Appaloosa Owner, Breeder, Trainer:

The Gulf Coast Appaloosa Horse Club is spreading the word about the “Texas Gulf Coast Spring Circuit”.

The Circuit will consist of the following three horse shows:

- [Houston Livestock Show &Rodeo](#) Appaloosas Horse Show
- Gulf Coast Appaloosa Horse Club Spring Break
- Gulf Coast Appaloosa Horse Club Spring Fling

Gulf Coast ApHC is very excited about the Spring Break Show Saturday and Sunday following the Houston Livestock Appaloosa Horse Show. In addition, we will offer a flat fee or individual class fee your choice at this show. We hope all contestants will load up from showing at the Houston/Reliant, travel approximately 45 minutes or 27 miles, (all freeway from arena to arena), to participate in our two day, 4 judge show and help make it a success. Additional information: Showbill, map, hotels, entry form and stall form is available via our website:

<http://www.geocities.com/gcaphc> . Pre-registration is not mandatory, but if you are traveling with several horses or as a group and wish to be stalled together, pre-registration is highly recommended. Also, there are 20 RV hookups and reservations are recommended for these. Contact: Sylvia Waxler at 979-357-2041. If you submit via our e-mail, be sure you get a confirmation. E-mail: gcaphc@hotmail.com .

Don't forget to mark your calendar to attend our Spring Fling at Nueces Canyon, Brenham, Texas in April. This is two one day shows with 2 judges each day and early hotel reservations are highly recommended due to space availability.

We hope to make these shows fun and successful, so if you have any questions or concerns, please fee free to contact us. All Gulf Coast ApHC Officers and Directors are available to assist you.

Looking forward to seeing all of you in 2004.
