

BSA Troop/Crew 263 "Generic" Permission Slip

To use this "Generic" Permission Slip, the participant's parent or guardian **must** contact a troop leader for the activity details for the first section of the permission slip. Parent or Guardian detaches the top half of the permission slip and keeps it. Sign and return the bottom half of the permission slip to the troop leader.

The named participant is in good physical condition at present. In case of emergency, he/she may be given emergency first aid treatment and/or medical care. I understand that ALL medications AND a signed note from parent/guardian outlining dose, when medication is to be taken, and possible side effects MUST be given to the accompanying adults before departure.

Participant has permission to participate in photographs for Boy Scout Public Relations
