

The June 15th meeting of the Goodhue County Saddle Club Association was called to order by president Lisa Paquet.

All clubs present.

The secretary's report was given and approved as read. A revision needs to be made to the April minutes to show the final vote for St. Croix Riders Saddle Club to join GCSCA. Hay Creek – yes, Saddlelite – yes, Pine Island – yes, Cannon Falls – yes

Treasurer's Report was given – no change – ending balance \$3416.05

New Business:

Andrea will be available at the Pine Island show to measure all ponies. A signed card with height and ponies name will be given to exhibitors.

Please remember that assessments are due to Carole within 14 days of show to avoid penalties.

There were some comments made about the high cost of the horse/rider combination fee at some of the shows. After some discussion it was decided to leave fees up to individual clubs.

There was a discussion about having GCSCA approved classes run before non-approved classes. It was decided to let the individual clubs do some checking and that the final decision for running order is to be left up to each club.

Jen Valek has been contacted about creating a logo for the trail riding program since there has been members to complete the first step. We will be looking over the logos to see what will be used.

A number of exhibitors are missing information for their permanent numbers. It was decided that a list of these people should be given to the GCSCA delegates and that ALL paperwork must be complete by June 21 at the Pine Island show.

Carole is having a hard time finding a web provider that will meet the requirements that we have for free. Jason Clausen made to allow a budget of \$15/month for web hosting services. Seconded by Tony Banitt. Motion Carried.

It is that time of year again – we are starting to think about the GCSCA banquet. The banquet has been set for Saturday, November 14, 2009, at Grandpa's Garage in Cannon Falls. Schedule for the evening – 6:30 Social hour, 7:30 Dinner, 8:30 awards program with entertainment to follow.

Entertainment possibilities – DJ &/or Bingo

Award Suggestions – Gift Cards from Tractor Supply, Fleet Farm, Haughthorse.com, or Country Supply.

Jason made a suggestion to check with Dakota Awards & Engraving for a possibility for plaques.

A suggestion was made to make separate plaques for pleasure and games.

Meeting adjourned.

The next meeting will be July 20 at the Country Kitchen in Cannon Falls at 7:30.

Respectfully submitted,
Kelly Neidermyer, delegate
