THE MONTHLY NEWSLETTER OF THE GOLD COAST TREASURE CLUB, INC.

VOLUME 34 NUMBER 2

FEBRUARY 2009

**THE NEXT MEETING WILL BE 7:30 P.M. FEBRUARY 12
AT THE WEST PALM BEACH GARDEN CLUB IN DREHER PARK
IN WEST PALM BEACH, FLORIDA**

OUR CODE OF ETHICS: HAVE PERMISSION AND DO NO HARM

FEBRUARY MEETING

Our February 12th program will feature South Florida Treasure Hunter's Club (SFTHC) member **Nick Mosca**. Nick is a jeweler with more than 30 years experience who is also a diamond & colored stone specialist. He will demonstrate gold testing, talk about how, when and where to sell your gold, give ideas about turning less attractive finds into true treasures, and even ID any stones that you've been wondering about. Nick buys gold from many SFTHC members and gives good prices. (*Editor's note:* when asked if he would buy gold at our meeting, Nick said yes, but that is not his goal. He might just talk you out of selling right now! Come to the meeting and find out why!)

Thanks in advance to volunteers **Joe & Joanne Keeley** for volunteering to bring Refreshments and to **Tom Lieberman** who will provide the "Mystery Item."

JOIN US AT PA BBQ BEFORE THE MEETING!

Catch up with friends, old and new, over dinner in the back room of PA BBQ at 5:30 p.m. (Dutch treat!)

**Park Ave. BBQ & Grille
2401 N. Dixie Hwy (US 1)
Lake Worth, Florida**

Please don't forget to return books, DVDs and tapes that you checked out from the library last month!

SILENT AUCTION

Start cleaning out your closets, garages and storage facilities! It's that time once again to gather goodies to donate to the GCTC Silent Auction. Our March 12th meeting will not have a speaker. Our mission will be to RAISE MONEY for our club. More information will follow in the next meeting and newsletter.

JIM WARNKE MEMORIAL HUNT/ PICNIC

This annual hunt and picnic will be held on Sunday, March 8 at a place to be announced at the club meeting. Planted items will be American coins older than 50 years. Some of the coins will be silver. Unfortunately, due to the cost of silver coins and current difficulty to obtain silver coins, the club had to switch from an all silver coin hunt to American coins. A hunt orientation meeting will be held at 9 a.m. The hunt will be followed with a picnic. The club will provide hot dogs, buns, condiments, beverages and all eating and drinking accessories. Members are encouraged to bring a side dish. Also, bring a chair, table and other items that make a picnic enjoyable. The entry fee for the hunt is \$5 per metal detector if paid before the hunt. At the hunt, the cost will be \$7. Sign up at the February club meeting or RSVP by March 5 to **Linda Bennett** (561-791-7682) with the number in your party. This will allow the club to provide enough coins and food. Only members may participate. **Sorry, NO coils over 12"** or **PI detectors allowed!** Also, **headphones are required!** This is a standing club policy for planted hunts!

HEAD\$ UP PROCRASTINATORS!

In light of the current economy, the board is offering a "bail out" to those who've had difficulty paying their membership renewals. Typically, the \$5 initiation fee is due, in addition to the \$30 membership fee, if a member has not renewed by January 31st. This year the renewal deadline is extended until the February 12th meeting. If you haven't renewed, *now* is your chance!

AWESOME RAFFLE!

Thank You, White's Metal Detectors, for donating a Bull's Eye Pinpointer! Don't miss out! Tickets are only \$3 each, or 2 for \$5. See Karen or Ken to get your tix!

JANUARY MEETING

Our newly elected President, **Mindy Spiroch**, presided over her first meeting on January 8th, welcoming 42 members and five guests (**Pete Sneider, Val & Dan Wilson, Jack Saint, and David & Marie Levine**). We did not have a speaker or a program that night, since our meeting was focused on our **Annual Best Finds Contest**. (Details about our illustrious winners can be found within these pages. Check it out!)

Thank you, **Jim Sharp**, for your "Tall Tales" story which informed us that historical markers aren't always located on the right spot. Jim urged us to do more independent research so we can learn the actual spot on which historic events occurred.

We thank **Mindy Spiroch** for coming through for the club at the last minute when no one else volunteered to bring refreshments. THANKS A MILLION, Mindy! We also thank **Stacey deLucia** for volunteering to provide the Mystery Item. Remember, club members, we need each of you to volunteer occasionally for these duties so that we can keep our meetings running smoothly! (In return, you get a free door prize ticket!)

BIRTHDAYS

January birthday celebrants **Nina Smith, Irving Smith** and **Wayne Stephens** each received a gold Presidential dollar for attending the meeting during their birthday month. **Happy Birthday, gang!**

Cheryl Petenbrink (2/13)
Bill Rogers (2/20)
Marilyn Smith (2/5)
Mindy Spiroch (2/3)

What do the above people have in common? If they come to the meeting during their birthday month, they each will receive a gift of a gold Presidential dollar!

DONATION THANKS

Thank you to **Gary Spiroch** for his donation of treasure magazines. Also thanks to **Gary McNew** for his donations of cigar boxes and a ring mandrel.

Good Will Ambassadors Performing Random Acts of Kindness

The GCTC recognizes members who provide selfless service to our community. The first time a member returns an item, that individual receives a metal detecting pin (handcrafted by **Steve Hoskins**) to wear on his or her hat, in addition to a certificate of appreciation. Future returns are recognized by additional certificates. Kudos to **all** club members who go out of their way to return items to their owners. The actions of each of our "Ambassadors of Goodwill" enhance the public's perception of our hobby! Way to go, gang!

Repeat Ambassador

Gary Spiroch
Returned a Medic Alert Bracelet

Gary McNew
Returned a Pair of Earrings

Gary Spiroch received a letter from the Medic Alert organization thanking him for returning the lost item. Medic Alert provided a prepaid envelope.

Gary McNew assisted a young man at South Beach by finding his lost earrings. Besides getting a thank you, Gary also received a reward.

JANUARY CLUB HUNT

The extreme and unusual heavy fog that the group of 16 members had to drive through to Okeechobee City was an omen of what the club hunt at Dark Hammock Boy Scout would be. A group that used a GPS proceeded to get lost. Finally all met at the entrance to the camp after multiple cell phone calls. Our fearless leader **Linda Bennett**, in the car driven by the reluctant **Karen Larson**, took the lead position to drive off the road and through an overgrown and rough looking entry into this primitive camp. Within 10 seconds, the front of Karen's car was in a deep hole! A small group was able to lift and push Karen's car out of the hole. After driving back into the camp, it became evident just how primitive and overgrown this camp was! The only way one could metal detect there was after a bush hog had been used. Two decided to go east to the beach; the remaining 14 caravanned to Indiantown and spent their time metal detecting in parks. The day ended after lunch in a small family-owned restaurant. No old coins were found, but interesting decorative horse items were found at the local horse show ring. **Bob Dobski** found 5 horseshoes. Hopefully they will bring him luck for the rest of 2009!

PAUL HAMLIN'S TIP OF THE MONTH

Keep in mind that people are watching us all the time on the beaches, so make sure you cover your holes. I've had people thank me for covering my holes.

At South Beach the people who rake the chair lines are a very good source for finding things. If they like you, they talk, and they like to tell what they hear. SO? Treat them nice! Do not dig holes in the raked area they just worked on!

Take a boy scout to grassy parking lots. You never can tell where all the holes are. I'll talk more on this at the meeting! *(Editor's note: Not sure what this last tip means, but we're eager to find out!)*

TCAS 22TH ANNUAL BENEFIT HUNT

7th GREAT SOUTHERN BEACH SHOOTOUT APRIL 3-5, 2009

Held every year in Daytona Beach, Florida, the GSBS has quickly become known as the world's largest and best beach metal detection event! This year's Great Southern Beach Shootout will feature several competition hunts, plus a kid's hunt! As always, thousands of coins, prizes and cash awards will make this GSBS an event not to be missed by any metal detecting enthusiast! Just ask **Jan Smirnow** how great it is! She won **\$5,000** there last year! Information and application forms will be available at the next meeting.

LW OCEANSIDE MARKET

To promote our club, we have booked booth space at Lake Worth Oceanside Market for Saturday, Feb. 28. The space is free for not-for-profit organizations. We are looking for volunteers who can help and participate. Here is what we are looking to do that day.

Setup is at 7 a.m., the show is open from 8 a.m. to 1 p.m. The booth space is 10 x 10, which allows us to setup three 6 foot tables to display finds, detectors and information about our club. We need participants to bring closed displays of interesting finds, photos of valuable finds (gold jewelry, etc.) and their metal detector(s). Most importantly, we need volunteers who are willing to talk with visitors about our club, the hobby and to give a short demo of their metal detector. We'll have a guest book for interested visitors to sign so we can contact them again and a brochure that they can take with them. I would like to have everyone who will participate have their displays ready two weeks before the show so we can setup a mock booth and workout any kinks. Your suggestions and support are welcomed. Please contact me if you would like to be a part of this fun PR event. **John Lobota** - Mobile: 561-628-2629.

EYEGLASS DONATION

Thank you to each and every one of you who donated prescription glasses, reading glasses, and sunglasses to our club so that we could make a *very large* and *much appreciated* donation to economically disadvantage, sight-impaired individuals. **Stacey deLucia** gathered donations all year, then sorted the glasses in preparation for the donation to the Lion's Club of South Florida, which was coordinated through Bascom Palmer Eye Institute. Bascom Palmer Eye Institute, the Department of Ophthalmology for the University of Miami Miller School of Medicine, is recognized as one of the world's premier providers of eye care, improving sight, preventing blindness, and advancing ophthalmic knowledge through compassionate patient care and innovative vision research.

The donation from the Gold Coast Treasure Club to the Lion's Club, through Bascom Palmer, included a total of **374** prescription glasses and sunglasses, plus **42** nice cases. Bascom Palmer officials, shown in the accompanying picture, were impressed with the quality of glasses. Many stylish, notable designer labels were included: Gucci, D&G, Versace, Oakley, Kenneth Cole, Ralph Lauren, Oliver Peoples, Tommy Hilfiger, Ray Ban, Maui Jim, and others. Most were in excellent shape, but a few needed repair. Prescription glasses, reading glasses, and children's sunglasses were included. Thanks to all who donated for giving the gift of sight to those who otherwise would not be able to afford corrective lens.

Marie Bloom Deckert, CFRE, Bascom Palmer Eye Institute Director of Major Gifts; Stacey deLucia, VP, GCTC; Dr. Terrence P. O'Brien, Professor of Ophthalmology; Dr. Brian Haft, Fellow to Dr. O'Brien.

Stacey deLucia, VP, GCTC; Patrick Jameson, in charge of the Optical Department at Bascom Palmer Eye Institute; Marie Bloom Deckert, CFRE, Bascom Palmer Eye Institute Director of Major Gifts.

HAVE DETECTOR WILL TRAVEL

Bridge End Farm, Cyangyl, Cybercop, River Rat, Sniffer, Ocala 6, Scuba Treasure – those were just a few of the names being introduced Jan 29 – Feb 1. Was this a trucker's CB convention? No, it was a weekend hunt with fellow TNET (TreasureNet Forum) members. **Gypsy Huntress (Linda Bennett)** and her guests **Karen Larson, Ken Lubinski, and Jerry and Betty Laur** traveled nine hours to Vortex Springs in Ponce deLeon, FL. Around 30 hunters from FL, TN, GA, NC, LA, KA, OK and TX attended. One flew in from Oregon.

Vortex Springs is a commercially operated recreation, camping and dive park that covers 400 acres. It is the largest diving facility in the state of Florida. The type of metal detecting was similar to the weekend camp hunts with the CFMDC. While it was mainly a wild hunt, there were 96 Buffalo nickels and two special quarters planted by the hunt master, *Bridge End Farm* (Bobby). Only three Buffalo nickels were found. Plenty of clad coins were recovered. A few older coins were found. A small gold diamond ring was dug up by a Kansas hunter along with some other jewelry – but not as much jewelry as was expected. We were allowed to hunt anywhere on land, but not in the water. Because it was deer hunting season, any metal detecting in the woods was done with extreme caution. Wearing orange clothing was recommended. Also, we had to keep an eye out for panthers.

A steak dinner was provided, courtesy of Bobby. Side dishes were brought by other attendees. A variety of cheesecakes was brought in from Baton Rouge, LA. (Luckily, one of the members owns a cheesecake factory!) One cheesecake must have weighed at least 10 pounds!

After dinner on Saturday, prizes donated by various forum members were presented. Each hunter received four prizes. Our prizes can be seen at the next meeting. **Ken Lubinski** won the grand prize - a conquistador helmet. **Linda Bennett's** prize wasn't too shabby – a NICE wood display case made by *Sniffer* (Dennis) from Kansas.

RECYCLING & DONATIONS

Jan Smirnow collects cell phones and used ink cartridges to raise money for the GCTC. Jan is also collecting pull tabs that will be donated to the Ronald McDonald House. Please SAVE yours and give to Jan!

Stacey deLucia is still collecting prescription glasses and sunglasses for the Lion's Club of South Florida.

John Lobota will accept member donations of metals such as brass, copper and lead weights that we find while metal detecting. He will take them to the recycling plant to sell for the metal content. All cash raised will help to replenish our treasury, so please see John to donate! Don't let all that digging go to waste!

FOREIGN COINS

Our club, along with the South Florida Treasure Club, continues to collect foreign coins to donate towards a summer camp for handicapped children. This is a year-round project. If you have coins to donate, please see **Linda**, who will make sure your donation goes to the right place! **Thanks to everyone who helps!**

MYSTERY ITEM

New members, especially, wonder - WHAT is a Mystery Item? Each month one club member volunteers to help stump fellow members by choosing a secret item that is revealed after the break. If an item in a member's Tall Tales Table display matches the mystery item, that member wins a silver quarter! So bring ALL your finds - you might just win a prize! Sorry gang...the person supplying the mystery item does not get the silver quarter if they stump the club. But they DO receive a free door prize ticket for their effort!

During the January meeting, **Stacey deLucia**, who volunteered to provide the Mystery Item, revealed a pair of tweezers. A couple of members scrambled to locate their potential matching finds with the "Mystery Item." It was close - both **Gary McNew** AND **Tom Lieberman** had tweezers, but Tom won this time, as his was a closer match! Congrats, Tom!
