I did not make the meeting on Wednesday just gone, but did read in the minutes how pleased the teachers were at the girls' performances at the Ballarat Comps. The actual wording being: "WE LOVE ALL THE GIRLS AND THEIR FAMILIES VERY MUCH".

Our Sub-Juniors won Ballarat with an impressive 32 out of 36 points – we were rewarded with a photo in the Addy – much deserved.

Our Juniors had placings in a few of their routines – I really feel that the Juniors need to be recognised for their gallant effort throughout the year. Any section would realise how hard it is in Division One when you have a full quota of 16, but for these young juniors to go through with placings in each of their competitions with only 9 girls has been extra-ordinary – Well done Juniors.

Our lovely Inters also won at Ballarat and have had an impressive year. They also were rewarded with a photo, hopefully to be in Saturday's addy.

Our Seniors came a commendable 4th. They also have done us proud with their leap up to a very experienced Division One.

Our Tinies have also had a good year – I often wonder how Cheryl, Sharon and assistants cope with such varied ages and personalities. I myself can't wait to see them at the Concert, they are a wonderful source of happiness, and humour and we have all had tales of girls waving to Mums in the audience or just standing there having a darn good look around.

There will be a Mums night out on Wednesday 4th December at Mexicali Mamma's, 7pm.

Please let Duty Mums know as soon as possible so we can organise numbers. Thanks.

Remember Costume Return Monday 25th November 408 and this will be the last night for fees to be paid – if you have any problems with these returns please see your Duty Mums for other alternatives.

Presentation night on Wednesday 27th at 6.30pm – no BBQ. Supper plate please.

We are still after Duty Mums for next year, please note that Duty Mums receive 10% off their yearly fees. We do appreciate the work you put in, also if you have a couple of Duty mums it helps share the work load and much better company.

Anyone who has contacts at School or Kinders please let Duty Mums know so we can hand out some promotional materials before the year has finished, or anyone looking for some exercise around Xmas can hand out some flyers in their respective areas. I plan to have a walk around the Leopold area – a lot of new housing going on there.
