

MARCH 2008

NEXT MEETING: Thursday, March 6

This month's meeting will feature an "interactive team-building activity". But don't let that scare you...it'll be **FUN!** Please come, and wear your "art clothes", i.e.: whatever you put on when you create!

As always, please give Chuck Ulm any ideas you have for programs.

A big "Thank You" to one of our newest members, graphic designer Dong Shang, who was our presenter at our February meeting. She demonstrated Chinese brush painting with bamboo brushes and ink. We learned the basic technique of brush painting, and the use of calligraphy and symbolism in traditional Chinese art.
