### President's Message

Summer is here and that means riding weather! Unfortunately, with today's economy and fuel prices, you might not be able to "go" as much as you would like to or as often as you have in the past. With that in mind, be sure to go on line and "Good Search" state parks and other places to ride. You might find one in your back yard that you didn't know was there. Also, try [www.judgesridelist.com](http://www.judgesridelist.com) for rides that are in the Southeast. For State Parks, go to [www.gastateparks.org](http://www.gastateparks.org). On the homepage, click on "State Parks" located at the top of the page. On the next page, under "Park Amenity Search", click on "Equestrian Trails". You can also enter your zip code to find the park closest to you.

Please travel safely and have a wonderful Summer! The next newsletter should be coming out in the middle of August so please feel free to send me your articles, classified ads, pictures, show results, new arrival information and anything else you would like to send. My e-mil is [pas064@bellsouth.net](mailto:pas064@bellsouth.net) or you can mail it to me at 1682 Butter and Egg Road, Hazel Green, AL 35750.

See you soon!

## Angels on Horseback

On Saturday, May 24th, several GPFHA members attended a horse show put on by Angels on Horseback, a therapeutic riding program located in Jasper, GA. After the show, a Paso Fino demonstration was given. Ian Black narrated the History of the Paso Fino while Christi White and Chris Williams demonstrated each Paso gait and some versatility by maneuvering through barrels, poles and cones in the arena. Joyce Davis, Melanie Black and John Williams were also on hand taking pictures, helping with the horses, distributing pamphlets about the Paso Fino and coloring books to the children. A very nice lunch was served after the demo. We all enjoyed mingling with the show spectators, and even helped celebrate a birthday for one of the program's students.

The founder and head instructor for Angels on Horseback is Mrs. Leslie Elliott of Jasper, GA. The event was run by Leslie, her husband, and several volunteers who did an awesome job. We thanked them for allowing us to join their show and share our love of the Paso Fino breed. Anyone interested in more information about Angels on Horseback can view their website at: [www.angelsonhorseback.org](http://www.angelsonhorseback.org). This program is always in need of donations and volunteers. Please give Leslie a call if you can help or would like to visit and see their program for yourself."

## DuPont State Park, Brevard, NC Trail Ride May 31<sup>st</sup>, 2008 by Dixie and David DeLozier, Gainesville, GA

The DuPont trail ride was the first co-sponsored trail ride between the Georgia and Piedmont regions. It was just the two of us from GPFHA and two of our friends went along for the ride, but with gas prices like they are it wasn't surprising. We arrived on Friday around 1:00 pm and got situated at the very friendly and accommodating Holly View Farms Horse Stables. We took the two Pinto geldings out for a ride on Friday afternoon and it was a treat to see some friends, Bill and Judy Hewitt, ride into the parking area as we were tacking up. We first met Bill and Judy at the Sand Hills National Paso Fino Trail ride two years ago. Bill and Judy currently have an eight part article in Paso Fino Horse World "Trip of a Lifetime" about their 2 month trip out West with their Paso Finos. Bill had not had enough yet and went back out on the trail with us after already riding for six hours on Friday.

On Saturday morning we rode out at 10:30 am in two groups, 13 riders in all. David led our group on really nice route of single track trails, and we hit several points of interest including Lookout Point with long distance views and Winter Green Falls. The trails are magnificent at DuPont! We were treated to the blooming Mountain Laurel and Rhododendrons; hillsides covered with ferns, and the brilliant orange wild Azaleas. We took Hooker Trail back to the parking area which is a canopy of foliage along a mountain stream and arrived at 1:25 pm, just in time for lunch. A great big thank you to Candice Link for sitting out the morning ride in order to get lunch delivered for all us and thanks to Piedmont for treating us to lunch as well.

We rode back out about 3:00 pm for the tour of water falls for those of us who had not seen them. We went to the covered bridge first, and put on a fino board show for the spectators by riding back and forth across the bridge. Of course we took the opportunity to tell them about our horses and their natural gait. One couple imitated the horses sound with their walking sticks as they walked off the bridge. We all cheered for them too. We let the horses play in the water below at the covered bridge, and then rode down to High Falls and then onto Triple Falls. We took a short break at Triple Falls, took pictures of the beautiful falls, and then went at a fast Largo pretty much all the way back to parking area. We had a great time, the horses did great, and it was a great group of people to ride with. We look forward to seeing you there next year!

### *Theme for Regional Basket*

Jo Franklin has decided upon a theme for the regional basket which will be donated to PFHA for the Silent Auction. This year, it is "**Cooking with Georgia**". It will include any type of "stuff" necessary for a good old fashioned Southern barbeque or cook out. All the proceeds from the auction benefit the PFHA Youth.

The "basket" this year will actually be a cooler which we hope to fill with all kinds of barbeque sauces, utensils, pot holders, maybe even an apron with a comical picture or saying, just about anything and everything one might need to cook out. The possibilities are endless

If you are interested in donating an item(s), please contact Jo at **770-822-9757** (home) or **770-962-3317** (office). **The deadline for sending items is September 1, 2008.** With the Spring show right around the corner, it would be an excellent time to deliver the items. They can be stored in the show office.

On behalf of GPFHA, we can't thank Jo enough for taking on this task once again. Your time and efforts are greatly appreciated and are reflected in the work that you do.

## *Links and Classified Ads now Available on the GPFHA Website*

If you would like to have a business or farm link added to our website, the cost per year is \$25 per link. Also, classified ads are also available. The following is a list of ad types and pricing. This is for one (1) year only:

Text ad only	\$15
Text w/one photo	\$25
Text w/two photos	\$40

If you are interested in the links or ads, please contact Gwyn Wright at [pas064@bellsouth.net](mailto:pas064@bellsouth.net) or 256-828-1060.

### Casey Cates wins High Point Youth at 2008 GPFHA Show

El Negro Del Paso "Negro", a 23 year old stallion and Cassandra Lee Cates "Casey", a 15 year old rising sophomore in High School in King, NC, attended the GPFHA show last month. Casey rides for John and Cathy Kippe, Pheasant Creek Paso Finos of Rural Hall, NC. Even though Negro is a veteran of the show arena, this was Casey's first PFHA sanctioned show. The Gainesville GA show and members of the GPFHA gave Casey an awesome "first time" experience.. The pair ended the show with 16 blues and a silver medal in Advanced Equitation Youth. Casey also received High Point Youth of the Show. Casey is now qualified to compete at the Nationals held in September in Perry Ga. A heartfelt thank-you for the "family" atmosphere and the "see y'all next time" goodbyes from the GPFHA group.

Thanks again and...."see yall next time" !!!!

### GPFHA Four Beat Jubilee Futurity Awards a \$5000 Purse

Saturday, May 17, 2008 was the date for the first Georgia Paso Fino Horse Association Three Year Old Futurity class. The class was held in conjunction with the show sponsored by GPFHA.

One could not have asked for better weather or better horses for such an event. GPFHA would like to thank our distinguished judges, Dr. Jose Laracuente, Alex Zapata and Nancy Moffitt for their time and expertise in judging this class.

Each horse was judged according to the breed standard defined by the PFHA in the Constitution with 10% on conformation (judged prior to saddling), 25% on slow gait, 25% fast gait, 20% tests and 20% overall impression. Each horse performed one complete lap of the arena in a slow gait, one complete lap of the arena in a fast gait; they walked and reversed (the walk and reverse were not to be judged) and then performed one complete lap in the slow gait in the second direction and then one complete lap in the fast gait. Upon the completion of the rail work, the horses then crossed the sounding board in the slow gait, performed a figure eight in the slow gait and, finally, performed a serpentine in the fast gait. At the completion of these tests, the horses then crossed the sounding board

in the slow gait again and exited the arena. As each horse was judged separately, one rider could ride any number of horses.

The crowd watched, applauded and cheered as each horse completed his or her task. The judges watched intently, marking their cards, sizing up the wonderful horses before them. Once the cards were turned in and the results were tabulated, the winners were called. Following is the list of winner for the event:

- 1st- Corona Mas Fina, Owner: Katreena Haley \$1,500
- 2nd- tie Tejedora de Milagro, Owner: Ray Franklin \$950
- 2nd- tie Lotsa Spots Alabama, Owner: Denise Duncan and Milda Minter \$950
- 4th- Allende Capu-Lachas-Cante, Owner: Mary Hanby \$750
- 5th- Domingo del Turista, Owner: Suzy Varner \$500
- 6th- Doble Cuento del Turista, Owner: Greg and Kim Willis \$350

As each horse was called, the owners lead them into the ring. The placements were announced and each horse was then presented with a check and a neck garland of red roses accented with beautiful red ribbon. When the first place winner was called, the horse was draped with a neck blanket of red and white roses, adorned with a plaque to commemorate the achievement. The beautiful neck garlands and neck blanket were generously sponsored by ShowTime Paso Fino Magazine. GPFHA wishes to thank them for their generosity and cannot express how much their assistance is appreciated. Also, thanks are extended to Gail Davis of Horse Feathers, as she hand made all of the trophies worn by each horse.

This class would not have been possible without the work of Cindy Griffeth. She was instrumental in securing the funds for seed money as well as collecting and keeping track of the futurity payments. "Thank you" to all of the owners who nominated their horses, enabling the futurity to take place. Last, but certainly not least, for those who invested the "seed" money, without you, none of this could have ever been possible.

Mia (She's A Lady Mako) and Presidente' de Profeta have a new baby boy born near noon in a grassy paddock at home. I checked on her when she was down in the grass and noticed some wet spots. Sure enough, water broken and delivery on the way. Glad I was sharp because a little "elbow" was hung up but all is well. Mia is very protective of her newborn miracle baby. Mia has been barren for 15 years. Thanks to Farnam's Mare Plus and TLC, Mia finally has a baby. Mia is 22 years old.

## Patriotic Pasos

The 2008 Memorial Day parade in Dacula, GA was once again an incredible experience. The morning started very early and quickly became very hot but our patriotic spirit never wavered. Riders included Jennifer Neely riding Norma Jean, Arleen Klungle riding Filigrana, Ray Franklin riding El Astro, Dave DeLozier riding Domino, Dixie DeLozier riding Tiva and Boyd Russell carrying the American Flag riding Tassie. Many thanks to Jim Klungle who braved the heat and carried our new GPFHA banner for the parade, too. This was the very first parade for Norma Jean, Filigrana, El Astro and Tassie and only the second for Domino and Tiva and the riders and horses did not disappoint. Our horses were fabulous and seemed like seasoned pros putting on quite the show for all the spectators and accepting kisses and loving touches from the kids in the crowd. Throughout the parade you could hear people say "look at the dancing horses!" and "how do they do that?" We were fortunate enough to be able to stop and talk to many about our incredible Paso Fino horses, the naturalness of their gait and their willing dispositions. For me, the best part of the parade was when an elderly gentleman shouted from the enormous crowd to myself and Jim "I watch your horses on RFD-TV all the time! I love your dancing horses!" and flashed two big thumbs up! He was truly excited to see the Paso Finos up close and personal! We were definitely a crowd favorite and highlight for many. The announcer once again invited us back next year and I can pretty much guarantee we will see them again in 2009. It is a great parade for first time riders with a long parade route and great organization by the City of Dacula. It was an awesome way to spend Memorial Day and a great time had by everyone! Many thanks to all of the GPFHA members who attended and the horses that were brought. It was a true testament to our breed and members of how great we truly are!!!

Jennifer Neely

## Pasos represented at the Heartland Ranch

In April this year, J S Dulzura, ridden by Sarah Hyatt (dressed in traditional Colombian costume), represented the Paso Fino breed at a Horse Fair at Heartland Ranch located in Ringgold, Ga. The event was a start-up fund-raiser for the Therapeutic Riding Program. A number of people came with questions about the breeds and an interest in riding and possibly purchasing a horse in the future. There were several breeds represented: Paso Finos, Saddlebreds, Hackneys, Friesians, Dartmoor ponies, Haflingers, Appaloosas, Thoubreds, Walking Horses, Paints and of course, the ever popular Quarter Horses. Approximately 200 spectators turned out to watch the exhibitions.

## Straight from the Horses Mouth

Hi, my name is Twos and I am a dapple grey five year old Paso Fino... and a princess! Well, my friends Roman (mustang) and Lightning (one of about 30 grey Arabs here) and I have decided to see what this endurance thing is all about. Pigeon Mountain was beautiful and we all had a great time camping out and going up the mountain the next morning. It was a bit treacherous, but we are sturdy and sure footed, so we did a great job. We all learned a lot too! I know that Mom said I have some shoes in my future! Do horse shoes come in pink???

#### Rules of the barn:

1. I am human. You are horse. What I say goes. Please take that into consideration when you are standing on my foot.
2. Spilled grain is not "fair game", especially when it is spilled in another horse's stall. ?It still belongs to that particular horse. You have no reason to go in and eat it.
3. Poop does not need to be hidden. I clean your stall every day. I will Find it. Do not hide it.
4. I do not need your help when I clean the barn, nor do I need your supervision, or even your presence. I have been cleaning the barn and stalls ever since you lived here. I know what I am doing.Standing at the door staring at me, will not make me clean faster.
5. There is no need to go into the barn and help yourself to the feed.? Meals Are given at specific times of the day. There is a feed schedule. You know the schedule. I know you know the schedule. You know that I know that you know the schedule. There is no need to help yourself.
6. Water buckets are not toys. Neither is the gate, pitchfork, wheel barrow, whatever is in the wheel barrow, fence, or the occasional dog.
7. The wheel barrows there for a reason. Please do not try to move it while I am cleaning your stall.
8. Just because I go into the Barn doesn't mean you automatically get food. There is other stuff in the barn. Stuff you don't want.Like de wormer and fly spray , shots, medicine.
9. Sheath cleaning will NOT be enjoyed...by anyone.
10. Water travels through the hose. If you are thirsty, do not stand on the hose. The water buckets will fill much faster.
11. Not everything has to be high drama. None of the following things will kill you: fly spray, plastic bags, balloons, hoses, chipmunks and other small rodents, or bright blue tarps.
12. Although I understand the need for you to go to the bathroom, it is not necessary to hold it in all day until the moment I finish cleaning your stall and put away the wheel barrow.
13. Accidents happen. However, I'm not altogether sure you're not trying to kill yourself. Next time you decide to impale yourself on some sort of object, please try to do it when it's not hailing, midnight, the weekend, or Christmas.
14. While I appreciate your need to be clean, pooping in your water bucket does not make my job easier, and it deprives you of water. Please find a new spot.
15. Whinnying as loudly as you can in my face does not make me feed you any faster.
16. I have to wait patiently too while you are having your shoes tacked on. There is no need to bite me.

Surgeons General Warning: Horses are expensive, addictive, and may impair the ability to use common sense.
