

I need someone to help me ease the pain  
I need someone to make me materialize from this invisible shell  
I need to be let out of this hellhole  
I need someone to be there to pull me through  
I need someone to help me figure myself out  
I need someone to hold me and tell me it will be all right  
I need someone to talk to to get this out of my mind  
I need someone to console me and make me feel all right  
I need someone here right now  
I need to know what is going on
