Mike Sagedahl	Rather Be Golfing	11	410	37.3	4	274	54.8

Rank of players is for team comparison only. The LOWER ranked team (total and average) should be favored that week. NEXT YEAR there will be a rule that your total rank MUST be at least 225 points or an average of at least 45.0 in the player season ranking. The player season rank can be found on the Current Player Stats page, to the right of the team name.
