Hey Sue,

I didn't know either, and curious as I am...checked it out...

You're welcome.

Started me exploring on Google Earth and they've got way more detail on Cumberland than they used to. Having a great time!

The images are 4 years old. When I had a look at my house I could see the foundations for the extension we had built four years ago.

BUT, the resolution is much, much better than last time I looked.
