To Whom it May Concern:

I am writing this letter in support of Dan Pettegrew and his work at the Imperial Courts Music and Arts Development Project.

The Imperial Courts Music and Arts Development Project is an outstanding program that provides unprecedented training and education for careers in the music industry to the young people that reside within the Imperial Courts Public Housing Development in Watts. I have visited the program on a number of occasions and have been impressed by the level of technical training and real world experience being offered. I have personally contributed funds to ensure that this worthy program is successful in Watts.

I would recommend the establishment of a similar program in any other housing development in the City of Los Angeles.

Sincerely,

A handwritten signature in purple ink that reads "Janice Hahn". The signature is fluid and cursive, written over a large, light purple circular scribble.
