

GNOSTIC DISCLOSURE

A public lecture organized by AGEAC (Gnostic Association of Anthropological, Cultural and Scientific Studies).
(Free of charge)

Gnosis is knowledge: the enlightened knowledge of Divine Mysteries.

Gnosis is highly scientific, profoundly philosophic, extraordinarily artistic and transcendently mystical.

Gnosis is the knowledge for transforming oneself: the knowledge of the Secret Path that leads to Final Liberation.

Gnosis contains the keys for the full development of our human possibilities.

Gnosis is the esoteric knowledge from the highly civilized cultures that have existed.
