

Life Analysis Of EVAN CORBETT

Sun - Success

Success is directing your energy and strength to some area where you want recognition and fame.

SUN IN LIBRA

Libra is the "trader" and is ruled by the planet Venus. The source of your energy is your desire to join compatible forces into a cooperative team. You are motivated to achieve fairness, mutual agreements and concerted efforts. Above all, you desire a balanced marriage or close partnership and with one special person.

Usually you are a peacemaker and will strive for compromise and trade-off to settle differences of those who are quarreling. You are a natural sales person and counselor, usually able to comprehend both sides of an issue. But by the same token, this means that you often have great difficulty in making up your own mind. Making frequent snap decisions and taking firm stands are difficult for you.

You are a delightful companion, gentle, diplomatic, intelligent, thoughtful, and charming, with a strong sense of justice and fair play. However, at times you can be indecisive, fickle, and dependent. Some interests are: partnership, peace, music, art, beauty, gifts, and social life. Your gift is your desire to communicate the objectives of harmony, beauty, and justice to others.

SUN IN SEVENTH HOUSE

You are best known for your partners and personal relationships. Much of your energy goes into selling, trading, and settling differences so that teamwork goes smoothly. You want recognition for your coordinating efforts.

Mercury - Intelligence

Intelligence is applying your natural thought patterns to explain what you want to communicate.

MERCURY IN LIBRA

You tend to think in terms of relationships and deals. Your mind is persuasive, diplomatic and impartial, but often indecisive.

MERCURY IN EIGHTH HOUSE

You tend to explain things in terms of hidden causes and motivations. Good investigative insight, research ability. You love intrigue.

Venus - Love

Love is using your emotional desires to coordinate and bond together things or people that you enjoy.
