About : *A guide on how [CAT] recording members faction donations.*

How To

The recording procedure is easy.

Each Sunday each member has to take a screenshot from it's Hero Title Tab. That is:

Then you e-mail that photo, at the: lords_of_cat@yahoo.es writing down your player's name that you were invited to [CAT] (and thus exist to our roster) and the weekly faction that you donate in [CAT]. F.e.: *"Deviant Whisper - 140KF this week"*.

Why?

[CAT] is a faction based alliance. Thus [CAT] needs faction to keep up, and be among well known other alliances. All alliance members need to support the alliance with factions. For [CAT] guilds, we have to record faction donations, in order to know and be able to distinguish members that really cares for our guilds and our alliance, and discard people that just want to taste the goods of our alliance without working for them.
