

PHOTOGRAPHY PRICES

High quality photographs taken in your own home. All portraits are taken in medium format to provide great colors and image quality. Black and White prints are available from any of the poses at no additional cost.

First 12 exposures for \$20

Additional 12 exposures for \$15

All sessions include one set of 5x5 proofs and all the negatives. You own the photos, negatives, and copyrights and can do whatever you desire with them. A high resolution (2000x2000) CD of all the poses is available to archive your session. The additional price for the CD is \$20 for the first 12 exposures and \$5 for each additional 12 exposures.
