

# Booze Cruise Times

Jamaican Cruise

February 22, 2006

## Huge trip planned for this summer!

### Voyage set for July 23, 2006

On July 23, 2006, Forty-seven lucky people will get the chance of a life time. A trip has been planned for public safety personal and they're friends to let off a little steam.

A tour bus has been chartered for this event. People attending have two locations that

they can hop on. The bus will be departing the Skowhegan area around 4pm and the Waterville area at 4:30pm. If people are willing to front a couple extra bucks, pizza will be served on the bus. There is also an in flight movie to be determined. The tour bus also has a restroom for those who can not handle their liquor.

The boat will depart Boothbay Harbor at 6pm. You will be aboard the Harbor Princess and

booze is served on the boat. The "booze cruise" also known as the Reggae Cruise fills up every

time it sets sail. The entertainment on the boat is provided by The Dani Tribesmen Band. They

have been performing on the boat for well over 10 years. The boat will take a trip up the Sheepscot River. Once you have become intoxicated, the boat will return. You will

have the chance to bar hop downtown or visit some restaurants. The bus will be leaving at 11pm to bring us home.

"one of the best nights ever!!"
