Here's what we've been doing  
and what we have planned for this month!

GIRL SCOUTS

Where Girls Grow Strong

Issue 4  
February 27, 2003

February was another fun month. We went to Safety Lane and learned Fire Prevention and Safety, saw the fire engines and the inside of an ambulance. We made Valentine cards and crafts and earned the Numbers & Shapes Try-It. We also went ice skating!

Discovery Day was wonderful! The girls had their hair done by a professional stylist, learned beginning sign language, scrap booking, jewelry, ceramics, woodworking, indoor and outdoor cooking, face painting, and the list goes on! We had a great time!

In March we will start working on the Brownie Girl Scouts Around the World Try-It. We will attend a Badge Workshop in Aspen Grove where we will experience snow-shoeing. We will start working on the Senses Try-It—each girl will need to bring an empty egg carton to the March 20th meeting.

We won't be meeting on March 13th — since each girl will be at the Badge Workshop on the 15th. We will not be meeting on March 27th due to cookie booths that week (*schedule below*).

**Bring Try-It books to the 3/6 & 3/20 meetings!**
