What we'll be doing this month...

Well, September and October have been a lot of fun. We played some team building games so the girls could get to know one another. We also worked on the Pet Care & animal badges. We spent the rest of the month working on piñatas – the girls made some very creative looking piñatas. We also had our First Annual Halloween Party – more on that in the next newsletter.

We have decided that one hour just isn't enough time to accomplish the things we want to do. So, we have decided to extend the meetings another 30 minutes. We will be meeting from 4:30-6:00 from now on.

The first meeting of November we will be taking a trip to the Provo Town Mall to "Shop Around" – this is part of the Consumer Power patch. The

girls will be comparison shopping. They will also probably try on a few outfits. We will need a permission slip for each girl to attend.

November 11th we will be experimenting with different hair styles to see which look best. We will also be checking our "colors" and deciding which look best on us. These items are part of the Looking Your Best patch.

On November 18th we will be doing a couple of things. The Junior girls will be making candles. The Brownies will be working on the Me and My Shadow patch.

No Meeting November 25

We will not be meeting on November 25 – this is Thanksgiving Day.

Reminders

Please remind your daughter that we are meeting in a church and we need to enter and exit quietly. We are also not allowed to chew gum or run in the halls and we need to remember to be on our best behavior.

Please check the treat list to the left. Send items that are easy for the girls to carry home.

Also, Please try to be prompt when dropping off and picking up your daughter. Regular meetings are from 4:30-6:00. If your daughter is going to miss a meeting, please let us know so that we won't be waiting for her.

Check out our troop web site: www.geocities.com/gs_troop1229 – we will post photos and information here. You can also find a copy of the newsletter on the website – should you misplace yours.
