

Spring 2004

Dear Girl Scout,

If you have already registered for the year 2004-05 please disregard this letter. But if you have not registered, I'd like to give you the opportunity to continue your membership as a Juliette Scout (independently registered Girl Scout).

As a Juliette Scout you can attend council wide programs, local area events, as well as summer camps. Additionally, there are programs specifically designed for Juliette Scouts:

- High Adventure www.highadventuregirlscouts.org is a special interest group is for girls in grades 5-8.
- Backpacking Interest Group <http://home.earthlink.net/~girlscoutbackpacking/> is a special interest group for girls in grades 9-12.
- Trefoil Troop <http://www.girlscoutsofsc.org/parents/index.html> is a special interest group for girls, ages 5-17 years old, who work on badge materials at home.
- Older Girl Adventure Group <http://su23troops.homestead.com/ogap.html> for girls 7th grade and above.
- Destinations (formally Wider Ops) providing travel opportunities in the US and abroad.
- Gold and Silver Award information please visit www.girlscoutsofsc.org

We encourage you and your parent(s) to continue your membership in Girl Scouting. Please visit the Council's website ~ www.girlscoutsofsc.org and the local service unit's website ~ www.geocities.com/gssu10 for additional activities and programs. All age levels will also receive council mailings.

Remember that Girl Scouting for older girls offers travel opportunities, scholarships, and it certainly looks great on a college application.

Please make any changes on your pre printed registration form and return it with the \$10 membership fee. Checks payable to GSSCC (Girl Scouts of Santa Clara County) and mail to:

**Nancy McCracken,
Service Unit 10 Registrar**
