NUT AND CANDY SALE

Thank you to those that sold nuts and candy. Our troop has earned \$44.48 from the sale. The money will be used to buy Try-It patches. That is about 25 badges, two per girl.

The next sale is the famous Girl Scout Cookies! This will be in January. More info in December.

TRY-ITS

The following girls earned Numbers and Shapes:

Sophia	Katherine	Jamie
Sara	Deven	Madison
Taylor	Ivory	Tifanie

Try-Its we are starting – Animals – Hobbies
Watch for work that needs to be done at home.

COURT OF AWARDS

Monday, November 17
6 pm

New Brownies will receive their Brownie Pins. All girls will receive Try-Its that they have completed so far.

Girls are to wear their vests. Families are encouraged to stay. The meeting will last about one hour.

Parents, please bring snacks. We have 10 Brownies and assorted siblings, please plan your snacks accordingly.

BURGER KING WINDOWS

Monday, November 24
6-7:30 pm

We have been asked to paint the windows once again at West Ave. Burger King.

The girls are not to wear nice clothes, the paint does NOT wash out. I will have shirt smocks but paint has a way of ending up in weird places. Even on parents!

I do ask that the parents stay to help their daughters with balancing on the chairs and tables. They will also need help reaching the top of some of the windows. I will have my hands full keeping the containers full of paint and washing out paint brushes.

All participating Brownies will receive a free kids meal for their hard work. Parents will be handed meal slips when they arrive. Please fill them out and turn them in by 7pm.

PAPERWORK NEEDED

I need paperwork turned in for some of the girls. If your daughter's name is on the list, please look in the mailbox by the bulletin board for your daughter's folder. Inside you will find the forms.

You may leave the completed for in the box by the bulletin board or return it at the next meeting.
