It is Almost the End of the Season

Time is marching on as the season's end draws near.

The Anklebiters are consistently playing their little hearts out. Since they have four (4) wins, they automatically qualify for the playoffs.

The 75lb team has proved to be playoff material as well. The team is currently 5 and 1. And, yes, they are headed to the playoffs.

The 85lb team is playing hard and at game time it is all about the game.

The 95lb team is hanging in for the stretch. One more win and this team will also qualify for the playoffs.

The 125 lb team always "show up". This is one team that really plays hard.

All of our teams are certainly amazing and we are very proud of each of them. They are enjoying the game

of football, which is really why our GS teams play the game.

SEASON STATS:

TEAM	W	L
Anklebiters	4	2
75 lb	5	1
85 lb	1	5
95 lb	3	3

End of Season Day Celebration

The End of Season Day on Saturday, October 21st was a great success! All of the teams played aggressively to defeat the home field. The field was decorated with blue and white balloons and posters, we had announcers for the entire day and the special at the concession stand was fish, which is always a hit. Our cheerleaders showed their support by cheering at each of the games.

To help in celebrating

our special day, Anklebiters coach, Marcus Ferguson showed up in costume, as usual, but this time as Reverend Running Gun. Parents and players alike each week wait in anticipation of what Coach Marcus might show up as on game day. Some of his past impersonations have been Sergeant Shut Out, Big Daddy Big Hit and a Rastafarian. This is certainly a treat for the children and parents as well. Our hats off to Coach Marcus for

keeping us entertained.

To top off our celebration, cheerleaders, football players, chaperones and parents enjoyed a dance in the cafeteria Saturday night. We had dance contests, even a Soul Train line and everyone had a great time.
