The Housing Department is sponsoring the fourth Project Homeless Connect Event on May 17, 2007.

We would like to distribute gift bags (*items such as toothbrushes, toothpaste, deodorant, combs, new socks, gloves, shaving cream/razors, new T-shirts, and sweatshirts*) to homeless adults and children who walk through the door to receive services on that day.

Collection of goods begins **Today**  
and extends until **Friday, May 11th.**

Donation Containers will be located in every City department lobby or break room, as well as other City facilities, upon request.

*For more information please contact  
Fernando Cazares at 975.4485 - Housing Department.  
Your contribution is appreciated. Thank you!*
